The American Radio Relay League
INC.
Official Organ: **QST**

Chartered as a
Non-Stock Corporation by the
State of Wisconsin

PROSPECTUS

THE Milwaukee Radio Amateurs' Club, Inc., was founded in January, 1917, by Loy Schell Hillegas-Baird, Associate I. R. E., and others, for the purpose of banding local radio amateurs into a non-commercial organization which could champion their cause and provide a means whereby their knowledge of radiotelegraphy, radiotelephony, and allied subjects could be collectively increased.

In December, 1919, the Club became affiliated with and now constitutes the Milwaukee chapter or local section of the American Radio Relay League, Inc., executive headquarters, Hartford, Conn., which is a national non-commercial association of radio amateurs, bonded for the more effective relaying of friendly messages between their stations, for legislative protection, for orderly operating, and for the practical improvement of short-wave two-way radiotelegraphic communication. "Of, by and for the amateur," it numbers within its ranks practically every worth-while amateur in America and has a history of glorious achievement as the standard bearer in amateur affairs.

The Club meets weekly, except during the period of June 15th to September 15th, at 8:00 P. M., Thursdays, in the Trustees' Room of the Milwaukee Public Museum. Visitors and prospective members are welcome at all meetings.

The general office, to which correspondence should be addressed, is 601 Enterprise Bldg., Second and Sycamore Sts., Milwaukee, Wisconsin. Telephone: Grand 1716.

Membership appeals alike to the "DX" radio amateur, the radio experimenter, the novice, and the technically inclined broadcast listener. There are three grades of membership: namely, Regular Member, Associate, and Junior. Candidates for regular membership shall hold a U. S. radio operator's license of amateur or higher grade, shall be at least 18 years of age, and shall have a bona fide interest in amateur radio activities. Candidates for associate membership shall be at least 18 years of age and shall have a bona fide interest in amateur radio activities. Junior membership is for candidates under 18 years of age, having a bona fide interest in amateur radio activities.

Monthly dues for the first two grades of membership are fifty cents and for Juniors, twenty-five cents. For all grades an initiation fee of fifty cents is charged. Candidates for all grades of membership, if not already members of the League, shall join the American Radio Relay League, Inc. Two dollars covers one year's membership dues in the A. R. R. L. and a like subscription to "QST," the official organ of the League and exclusively devoted to the wireless amateur.

Some of the privileges of membership in the Milwaukee Radio Amateurs' Club, Inc., and opportunities presented therewith are as follows: Identification with one of the Club's several committees entitles the member to become actively engaged in the solution of problems of local radio organization. Regular attendance at meetings offers the advantage of listening to and taking part in discussions of both technical and traffic topics. Members have the right and are encouraged to present formal papers, and, periodically, arrangements are made for a Club lecture by a speaker of known standing in the radio or electrical field.

The Treasurer has made arrangements which permit the members to enjoy certain Club discounts when purchasing standard radio apparatus. Attention is also called to the distinction of being a member of the organized radio amateurs and the privilege of enjoying the fellowship and fraternal spirit. The direction of the Club is prepared at all times to expand the scope of the society's activities at due request from the members.

To those who are eligible, the direction of the Club extends a perpetual invitation for them to apply for appropriate membership.

Application blank for membership in
THE MILWAUKEE RADIO AMATEURS' CLUB, INC.

Date.....

The Secretary,
The Milwaukee Radio Amateurs' Club, Inc.,
601 Enterprise Bldg., Milwaukee, Wis.
